We can know God only if He makes Himself known to us. He makes Himself known to us through His creation, the sense of right and wrong He's given us, and by "speaking" to us.

Today let's see how we can know about God through **our sense of right and wrong**.

Read Romans 2:14–15. What does this verse tell us about whether or not people know if they're doing right or wrong? Explain your answer. (You may want to read the verse in different translations to understand it. Try The Message and New Living Translation.)
