We can know God only if He makes Himself known to us. He makes Himself known to us through His creation, the sense of right and wrong He's given us, and by "speaking" to us.

Today let's continue to focus on how we can know about God through **His speech**.

The verse 1 Thessalonians 2:13 tells us that the word of God came through men. Considering that, can you trust that God worked through the men that wrote the Bible? _____

Now read 2 Peter 1:20-21. According to this verse, why were men able to write portions of the Bible?

What should be your attitude when you listen to the Bible being read or when you read it yourself?
